Table with 2 columns: Required Course, Substitute Course

- I have declared an optional minor in MyOleMiss. Minor:
I will have completed at least 12 of my last 21 hours in residence at the University of Mississippi.
I will have earned at least 25% of my degree in residence from the University of Mississippi.
I will have earned at least 30 credit hours in residence from the UM School of Engineering

The following should be completed based on earned grades plus estimated grades in final coursework.

- (1) **Overall GPA** (on all coursework attempted at all institutions of higher education attended)  
See Degree Audit for this information. \_\_\_\_\_
- (2) **Resident Cumulative GPA** (on all coursework attempted at the University of Mississippi)  
See Degree Audit or UM transcript for this information. \_\_\_\_\_
- (3) **School of Engineering GPA** (highest grade earned in all required course work from BME, CE, ChE, C-OP, CpE, CSCI, EI E, ENGR, GE, GEOL, MANF, ME)  
Student should calculate this. Total points / total attempted hours from all domestic degree-applicable coursework in the School of Engineering and domestic equated transferred degree-applicable coursework. \_\_\_\_\_

In table below, list all courses shown as incomplete in Degree Audit at the time of submission of this degree application.

**NOTE: It is your responsibility as the graduation applicant to address any deficiencies before submitting this application to your department. See your advisor if you have questions.**
